Threet, Derek 9:43 AM:

As an FYI, Michael W., Palmer, Brittany and I had an Alaska, Seattle and DC call today. We have Michael W. up and running with the comment review process, so we can keep him on board for quite a while. HQ is really happy for his support. I am sure you heard that Pebble is submitting their permit tomorrow!

Szerlog, Michael 9:44 AM:

Hi. Thanks. Glad he is working out. Yes, I saw the press release.
